BRITISH SHIP PIRATED

B. & S. "SHASI"

OUTRAGE OUTSIDE HANKOW

AUDACIOUS ATTACK

American Passenger's Thigh Shattered.

CHINESE SEAMAN KILLED; ANOTHER WOUNDED

The Yangtze River, just outside of Hankow, has been the scene of the latest piracy. The victim this time was the China Navigation Co.'s s.s. "Shasi," Capt. A. Cook.

The attack stands out by reason of the audacity of the desperadoes, who got to work almost before the vessel had time to get clear of the Bund fronting the foreign concessions.

Three casualties are reported;

Mr. Henry Hervis, American, assistant in the firm of Gale and Co., Hankow, had a thigh shattered by a revolver bullet;

One Chinese member of the crew was shot dead;

Another Chinese seaman was wounded.

The Captain and Chief Officer—the only foreign officers—were confined to their cabins at the outset of the attack but were not, apparently, molested. The skipper's wife and two children were aboard the vessel. There was no time, apparently, to offer resistance.

The other three foreign passengers, a French Naval officer and a Mr. and Mrs. Pepper (Americans) escaped unscathed.

Loot is estimated at between fifteen and twenty thousand dollars.

The pirates complained bitterly at the smallness of the haul.

Mr. Hervis is said to be progressing favourably in hospital at Hankow, to which port the "Shasi" returned after the pirates made off in a launch with their booty.

A BITTER COMPLAINT

Hankow, To-day.

Reuter's account of the outrage, received from Hankow this morning, is as follows:—

The China Navigation Company's "Shasi" (Messrs. Butterfield and Swire, agents), which left here at 9.30 yesterday evening, was pirated at 10.10 p.m. just below the Seven Mile Creek by pirates to the number of 32 who were travelling as passengers.

The raiders hardly gave the vessel time to get clear of the foreign concessions before holding up passengers and crew at the point of pistols.

Capt. And Family

At the time of the outbreak the skipper, Capt. Archibald Cook, was on the bridge with the pilot and quartermaster. Shots were heard below and immediately a number of desperadoes rushed the bridge and overpowered the captain, whom they confined in his cabin.

Capt. Cook's wife and two children, who were accompanying him in the vessel, were also bundled into the cabin.

Ship Drifts

The "Shasi" whilst the pirates were engaged in their work of pillage, drifted down the Yangtze with nobody in control. Eventually the pirates released the skipper for sufficient time to allow him to give instructions for the dropping of the anchor.

The first officer, who was the only other foreign officer, was also overpowered and had no time to offer any resistance, while the cabins of the four foreign passengers—a French Naval officer, Mr. and Mrs. Pepper and Mr. Henry Hervis (the latter three all American subjects)—were simultaneously rushed.

American Shot At

The Naval officer and the Peppers escaped unhurt, but Mr. Hervis, on opening his cabin door, was fired at at point-blank range, a bullet shattering a thigh bone.

In addition a Chinese member of the crew was killed by the pirates while another Chinese seaman was wounded.

Shortly after these ghastly happenings a strange launch came alongside the stationary vessel and the pirates transferred the loot into it.

Pirates' Complaint

They complained bitterly as to the size of their haul, which was said to have totalled only \$15,000 to \$20,000 in money and valuables.

As soon as the pirates had made off the skipper had the anchor raised, turned about, and put into Hankow again.

Mr. Hervis, the wounded American, was sent to hospital and according to a report his condition is not considered dangerous.

Well Dressed Gang

It is worthy of note that Mr. Hervis, who is employed by Messrs. Gale and Co., merchants and engineers, of the Rue Daubremont, French Concession, was proceeding on leave to America for the first time in eleven years.

According to information supplied by members of the "Shasi" crew the pirates were well-dressed, some in foreign clothes, and appeared to hail from various provinces. It is believed the desperadoes are disbanded soldiers as a military identification disc was discovered on the deck of the vessel after their departure.—Reuter.

MISS TOBIN FREE

HER RELEASE FROM BANDITS EFFECTED

"RETURNED UNHARMED"

Wuchow, Yesterday.

Miss Tobin, of the Church Missionary Society, who was captured by bandits, has been released and has arrived at Chaoping unharmed.

[Our own correspondent.

Note: Miss Tobin and Miss Watkins were captured on Sept. 22 while going from Wuchow up the Kweikiang (Cassia River) to Kweilin. Miss Watkins was released forthwith. Chaoping (spelt Chuping in Cantonese) is about 100 miles north of Wuchow, or less than half way to Kweilin. The missionaries were followed by bandits in boats. The district magistrate has been in negotiation with the bandits for some time before effecting the release, presumably on payment. British Naval representatives went to Wuchow to investigate and Bishop Holden of Kwangsi and Hunan rushed to Chaoping to help.]

H.M.S. "Cornwall" arrived at Shanghai yesterday from Wei-hai-wei. She is one of the five county-class cruisers of 10,000 tons each. H.M.S. "Derwick," another of the class, arrived at Tsingtao yesterday from Wei-hai-wei.

The 2nd Battalion, the Royal Scots (the Royal Regiment), arrived here this afternoon.

A large crowd turned out to welcome the troops as they marched from the station to their quarters. The 1st Battalion, East Yorkshire Regiment left for Hong Kong this morning.—Reuter.

[Note: The 2nd Royal Scots, with families, have been transferred from Egypt for two years' service in the North China Command. They passed through Hong Kong on the troopship "Dorsetshire" on Oct. 24. The 1st Batt. East Yorkshires are bound for India.]

ROSE-TERRACE

LADY'S HANDBAG SNATCHED NEARBY

"A FAVOURITE SPOT"

Remarking that the defendant was a trained hand at snatching bags, Mr. F. H. Loseby, prosecuting in a case at the Kowloon Magistracy this morning, said that it appeared to him that Rose-terrace was a favourite spot for this form of theft.

A Chinese youth, unemployed, appeared before Mr. W. Schofield on a charge of snatching a rattan handbag and a leather purse containing \$3 from Mrs. C. C. Telfer, of No. 6 Minden-avenue, while she was walking along Nathan-road near Rose-terrace on Saturday.

Mr. Loseby said that his client was walking at about 7 o'clock when, on the pavement opposite Rose-terrace, defendant snatched the bag from her hand. He ran around Rose-terrace to the vacant fields behind and thus into Middle-road. Mrs. Telfer followed and her cries attracted the attention of a Chinese postman who ran after defendant and caught him.

Captor Praised

Mr. Loseby said that the bag was found at the feet of defendant; as, evidently, when he thought the game was up, he dropped it to pretend innocence.

Defendant pleaded guilty. He said that he had been misled by a friend who had said that he would do the snatching and then pass the purse into defendant's keeping. To the postman who had affected the capture of defendant, Mr. Schofield said: "I wish to congratulate you very much on your public spirited action."

Defendant, who was convicted only ten days ago when he was bled, was sentenced to four months' imprisonment and twelve strokes.

RAIL FATALITY

CHINESE WOMAN FOUND BADLY INJURED

The body of a Chinese woman, aged about 40 years, who had apparently been killed by being struck by a train, was yesterday afternoon picked up on the railway near the No. 3 bridge. The unfortunate woman was terribly injured, her left arm, back and skull being broken.

The police removed the remains to the Kowloon mortuary.

MANCHURIA'S NEW RAILWAYS

RUSH WORK

LONG PERIOD OF PEACE IS FORESHADOWED

S.M.R. ENTERPRISE

Several new Chinese railways in Manchuria are being rushed to completion, under contracts with the Japanese South Manchuria Railway Co., it is reported in American circles. Thousands of miles of virgin territory are being opened up, and Chinese officials predict that in a few years Manchuria will be more prosperous than any other part of China. It is now regarded as certain that peace will be maintained in Manchuria for years, and agriculture and industry will be left alone to develop.

Expert's Views

Says Mr. Henry W. Kinney, an expert on Manchurian topics:—
"Railways in Manchuria, as is the case with railways elsewhere, involve economic, political and strategic considerations. Broadly speaking,

MODERATE MONSOON

N. E. winds, moderate, fine is the forecast till noon to-morrow. The anticyclone is central over S. W. Japan. Moderate monsoon may be expected along the S. E. coast of China and over the China sea.

ing it may be affirmed that all these railways have mainly economic importance, as they all serve lands which are already economically important, or open great, fertile, but as yet undeveloped regions for settlement by the great hordes of immigrant farmers which are now flocking into Manchuria.

All railways are strategic in so far as all railways the world over constitute essential factors in military operations, and those in Manchuria are of strategic importance in proportion to the extent to which one regards Manchuria as a future battlefield or not.

The Position

Briefly, the position is this:—The South Manchuria Railway Co. is Japanese. It owns and operates 695 miles of line, having secured a footing after the Russo-Japanese War in 1904-5. Chinese lines parallel to the S.M.R. are forbidden by Treaty with China. In the north of Manchuria is the Chinese-Eastern Railway and the Russian trans-Siberian Railway. But in the South, the Japanese S.M.R. has been giving assistance to Chinese to build lines. "The assistance thus given has not been remunerative from a strictly financial point of view... but they have been justified in that they (these Chinese lines) act as feeders to the main line of the S.M.R.," says Mr. Kinney. All such lines are owned and operated by Chinese, with the exception of one which is managed by the S.M.R. under special contract.

NANKING "RAPE"

AMERICANS WAIVING CLAIMS

MISSION BOARDS

With the exception of one, all the American mission boards which have the right of presenting claims against the National Government of China for damage suffered in the Nanking Incident of March, 1927, are stated to have foregone such rights. This news is conveyed in a "Chicago Tribune" dispatch, reading:—

Dr. Wang stated to-day that American Methodist, Baptist and Presbyterian mission boards had agreed to waive claims for damages suffered in connection with the Nanking Incident in March last year. The amount involved is approximately a quarter million gold dollars.

The American Episcopal mission is reported unwilling to waive claims, insisting in payment.

On September 22, Reuter reported as follows from Nanking:—
"In connection with American claims for compensation in Nanking, which total \$1,200,000, it is understood that the Nationalist Government will probably agree to pay approximately \$1,000,000. The British claims in Nanking approximate \$10,000,000."

TODAY'S DOLLAR

The closing rate of the dollar on demand, to-day was 2/0 5/16.

CHINESE COLONISTS HELD

GOVT. ACTION

SHIPBOARD OF EMIGRANTS TURNED BACK AT TAKU

LOCAL INTEREST

Action by the Government of China, bearing largely on Chinese emigration has been reported to the effect that "such transportation of Chinese labourers" will not be allowed except under special sanction. Hong Kong is interested in the carriage of Chinese emigrants, mostly to Malaya.

Says J. B. Powell of Shanghai:—
"The National Government Overseas Affairs Committee has ordered the detention of a Spanish steamer lying at Taku Bar off Tientsin, on the grounds that the steamer was engaged in the transportation of Chinese labourers for colonization purposes in the Spanish colony located on the west coast of Africa, south of Morocco."

Govt. Stillement

The official statement of the Nationalist Government is as follows:—

"Since such action concerns the welfare of the Chinese people the Government does not intend to permit such transportation of Chinese labourers in the future unless it is specially sanctioned by the Ministers of the Interior and Foreign Affairs."

In addition to this action, the Government ordered an investigation of conditions of the Chinese labourers in the Dutch East Indies, the matter having been precipitated by the recent action of the Dutch colonial authorities in deporting several members of the Kuomintang from Java and Sumatra, adds M. Powell.

Hong Kong's Interest

In 1927, 285,593 emigrants left Hong Kong for various destinations. Of these, 138,263 were carried in British ships and 147,330 in foreign ships. 181,100 returning emigrants were reported to have been brought to Hong Kong from the several places to which they had gone either from Hong Kong or from adjacent Coast ports. Of this number, 100,889 arrived in British ships and 80,211 in foreign ships. The following is a table of Chinese emigrants passing through Hong Kong:—

Bound for Straits		
Year	Total	Settlements
1922	98,393	50,556
1923	120,224	65,584
1924	129,869	75,682
1925	140,534	97,552
1926	216,527	157,285

"STRONG PROTESTS"

PORTUGUESE TRIAL RAISES BRITISH IRE

AN APPEAL

London, Yesterday.

The British Ambassador at Lisbon has addressed strong protests to the Portuguese Government regarding the delay in holding the trial and the extreme and unwarranted severity of the sentence passed in the case of Mr. A. G. Brewer, second officer of the s.s. "Clan Lamont," at Lobito Bay, Portuguese West Africa.

Brewer was sentenced a few days ago to 850 days' imprisonment and a fine of \$18 or a further 60 days' imprisonment plus costs on a charge of theft.

Brewer was arrested at Tobito Bay last September and, as a result of the long delay in bringing the case to trial, the intervention of the British Foreign Office was sought, which resulted in the case being heard on October 25 when Brewer was sentenced as stated.

Notice of appeal against the sentence has been given on Brewer's behalf.

Meanwhile a protest to the Portuguese Government was made by the British Government, after the receipt of a report on the case and trial from the British Consul at Louisa, Portuguese West Africa. The case has attracted much notice in the British Press.—British Wireless Service.

ACCIDENT

Mr. D. Sherman, of St. Francis Hotel, while driving his motor cycle about 1 p.m. to-day collided with a Chinese named E. Y. Hing, Pottinger-street, outside of the City Hall. Hing was taken to hospital suffering from various bruises. Sherman had merely a scratch on his right hand.

OFF TO SAHARA DESERT

CAMPBELL'S QUEST

HOPES TO CAPTURE WORLD'S MOTOR SPEED RECORD

SEGRAVE ALSO BUSY

London, Yesterday.

Captain Malcolm Campbell left Croydon aerodrome, in a light aeroplane yesterday, for the Sahara to discover a 12-mile stretch of hard level sand suitable for an attempt to beat the world's motor car speed record, in his Campbell Napier car.

He understands that such a stretch exists in the middle of the Sahara and believes that if he can obtain a sufficient run, before entering the measured course, he can capture a record. This is held by England. Meanwhile, Major Segrave is also busy with plans for establishing a fresh speed record.—British Wireless Service.

ARMISTICE DAY

PRES. COOLIDGE ISSUES A PROCLAMATION

FRIENDLY RELATIONS

Washington, Yesterday.

President Coolidge, in a proclamation, urges Americans to observe Armistice on the 11th inst., with appropriate ceremonies in schools, churches and elsewhere and to give "expression to our gratitude for peace and the hope and desire that our friendly relations with other peoples may continue." — Reuter's American Service.

ADDING NAMES

PROCEDURE IN CIVIL ACTIONS

PUISNE JUDGE'S RULING

The question of procedure in civil actions was raised in the Summary Court this morning when Mr. F. X. d'Almada argued that the written consent of persons whose names had been added as plaintiffs to an amended writ should be obtained before the amendment was filed in the Court Registry.

Mr. C. A. S. Russ replied that such was the practice at Home but not here. The Puisse Judge (Mr. Justice Jacks) ruled that written consent must be filed by the new plaintiffs before their names are added as such.

Mr. Russ was for plaintiffs in a money loan association case which he said was of considerable importance to the Chinese.

The names of eight traders were set down as plaintiffs. Defendants were "the Asia Cafe, formerly known as the Seck Yuen Cafe," and Kwan Yun-fong, described as a partner in the cafe. The name of the Tung Yuen Chi Tim Cafe was added as that of "purely nominal defendants."

Much Red Ink

Leave had been given on May 8 to amend the original writ. The result was a sheet of typewritten matter in 55 lines, of which all but one were underlined in red ink.

Defendants are alleged to have drawn \$720 in return for which they had to pay eight monthly instalments of \$100 each. Defendants and plaintiffs are alleged to have been the ten members of a money loan association, the drawings of which were held in West Point restaurants.

The case is proceeding.

TWENTY-ONE MINUTES' CHEERING

FOR "AL" SMITH

22,000 DEMOCRATS UPSET RADIO PLANS

PROHIBITION PROBLEM

New York, Yesterday.

Twenty-one minutes continuous cheering for Governor Al Smith, by 22,000 Democrats, nonplussed the radio authorities who were broadcasting Smith's speech in Madison Square Gardens in winding up his election campaign.

There was an American flag and song book on every seat in the hall in which the 22,000 were jammed. Community singing whiled away the time of waiting for Governor Smith.

The cheering lasted, despite of every conceivable means of discouraging it. Smith devoted the main part of his speech to urging a "sensible, reasonable and proper" solution of the prohibition problem.

Campaign Expenses

Washington, Nov. 3. The Republican and Democratic parties together have received nearly \$9,000,000 to further the cause of Hoover and Smith for the Presidency. The Republican national committee reports receipts of \$4,912,000 and expenses of \$4,744,000, while the Democratic party's receipts are \$4,089,000 and expenses \$4,008,000.

Experts, however, declare that this is only a fraction of the total throughout the country not only on behalf of the candidates but for all election purposes.

The Women's Vote

A notable fact of the presidential campaign is that not for many years have the opposing parties talked so little of foreign affairs and so much of home ones. Public discussion has concentrated on internal problems.

It is considered that two things weigh heavily with women voters, firstly prohibition and secondly Mrs. Smith. Many women pay tribute to her personal qualities, but do not consider that she is worthy to represent the country whose women attach much more importance than men to dress, speech and social amenities.

Final Speeches

New York, Nov. 3. As Mr. Hoover sped towards California preaching the doctrine of Republican prosperity, Governor Al Smith was wildly welcomed on his return here by hundreds of thousands despite the rain.

The Governor, smiling happily, drove in a procession containing lorries conveying brass bands and newspaper photographers, through a storm of tape and confetti.

Mr. Hoover at St. Louis, devoted almost his entire speech to farm relief and promised, if elected, to inaugurate a new institution in the government specially designed to deal with existing and future agricultural problems, the institution to comprise a Federal Farm Board.

Mr. Coolidge's Confidence

Washington, Nov. 3. The Republicans think that President Coolidge is practically certain that Mr. Hoover will be elected as his successor.

Last night President Coolidge sent a telegram to Mr. Hoover, who is at St. Louis, to the effect that the success of his election campaign is assured. President Coolidge added:—

"I shall turn over the great office of President to your keeping and am sure it will be in competent hands."—Reuter's American Service.

HIS EXCELLENCY PRESENT

On Saturday night, the annual social function of the Arts' Association of the Hong Kong University took the form of two plays which were presented in the Great Hall of the University.

There were some 600 guests present, including H.E. the Officer Administering the Government, Mr. W. T. Southern, C.M.G., and Mrs. Southern.

CHARITY FAIR

SUCCESSFULLY HELD IN CONVENTS' GROUNDS

Lady Ho Tung opened the two-days' Charity Fair in aid of the orphans and invalids of the Canoness Institute, Italian Convent and branches, which was held at the Italian Convent, No. 36 Caine-road, during the whole of Saturday and yesterday starting each day at 10 a.m. and closing at 6.30 p.m. His Lordship the Rt. Rev. Bishop H. Valtorta was present at the opening ceremony and welcomed Lady Ho Tung.

In the spacious grounds of the Convent were erected numerous stalls all laden with fine things, which appealed to adults as well as to children. The latter had much to amuse them at the Fair, the centre of attraction being, of course, the candy and toy stalls. The last named was a veritable miniature "Toyland" full of delightful playthings to gladden the young ones' hearts, whilst the candy stall contained all the toothsome "Children's Delights"—chocolates and home-made fudge and candy in great variety.

Other attractions for old and young alike, were the games of chance in which some desirable prizes were offered; the fishing pond, where numerous pretty and useful things could be "fished" out after a little practice, also the check board, in which luck played a big part, though one never stood to lose much in trying for the fine prizes dangled before one's eyes. The 10-cent stalls also offered good things which were well worth the small amount required.

Really useful gifts were found in the \$1 and \$2 stalls where every souvenir ticket was interchangeable for something. Here luck also played a part, and if one was lucky one could secure one of the big "must-be-won" prizes, which were worth much more than the money spent on the tickets.

There were also stalls where one could purchase anything which met with its or her fancy at reasonable prices comparing favourably with those charged "outside" for goods of similar quality. Here were to be found children's frocks, table covers, cushions, bedspreads, handkerchiefs, baby's robes, and many other useful and pretty things, all embroidered and made of materials which were both good and serviceable.

Last, but not least, mention must be made of the "Art Store" full of dainty and charming gifts—oil

MRS. BESANT

ISSUES PRAYER ON THE "GREAT SILENCE"

In connection with the Theosophical Order of Service, Mrs. Annie Besant has issued the following:—
The final renunciation of War in the settling of human disputes is being gravely considered to-day by the nations of the world. It is the burning question of the hour and must be solved. Each of us can do something to create an atmosphere in which this great movement can thrive and come to a successful conclusion.

Groups of international peace workers, who realise that aspiration and prayer, if informed by thought, are irresistible factors in the attainment of World Peace, have organized a "Peace Week" from November 4 to 11. It culminates at the moment of the Great Silence at 11 o'clock on November 11.

Beginning on the morning of November 4, hundreds of thousands of people in 43 countries of the globe will think, aspire, and act to this great end.

Will you not help? Make this week a period of harmony filled with longing for human brotherhood and permanent peace.

On November 11 at 11 o'clock, please hold during the Great Silence the thoughts of this prayer:—
O Hidden Life of God, outside of which nothing can exist; help us to see Thee in the face of our enemies and to love Thee in them. So shall Thy Peace spread over our world, and Thy Will shall at last be done on Earth as it is done in Heaven.

An inhabitant of Bad Homburg named Markus Loewenburgh, who has just celebrated his 101st birthday, is still hale and hearty.

QUEEN'S REG'T'S STRENGTH IN THE LEAGUE

BORDERER'S NEW CENTRE

[By "Rover"]

Five victories in succession at place in the table is the record of the senior team of the 1st Batt. Queen's Royal Regiment in the H.K. Amateur Football League. On Saturday, the XI beat the H.K. Football Club by 6-1. Caldicutt, the left-winger, getting through three.

Introduction of a brainy new centre-forward, Reeves, by the 2nd Batt. King's Own Scottish Borderers, was fortunate. The Borderers administered the first defeat on South China and Reeves scored the only goal of the match.

A. Gosano got two goals for Pacerio who defeated Royal Navy by 4-2. Kowloon lost to the Artillery by the odd goal in five, the Kowloon defenders putting in the last goal for the R.A. Results at a glance:—

Division I

SOUTH CHINA v. K.O.S.B.'S

At Caroline Hill, before a large attendance, the 2nd Batt. K.O.S.B. Regt. by a snappy goal in the first few moments, secured two points. The introduction by the Borderers of Reeves, their new corner at centre-forward, was a success. He centred the winning goal and generally showed fine dash and leadership. Both teams were at full strength:—

South China:—Pau Ka-ping; Li Tin-sang, Lau Kau; Leung In-Chan, Pang Wa-hing, Leung Wing-chiu; Lai Tin-choy, Fung King-cheung, Leung Wing-tak, Lau Mau, Ip Pak-wa.

2nd Batt. K.O.S.B. Regt.: McDougall; Harris, Martin; Everest, Davey, Skiggs; Campbell, Stock, Reeves, McGlinchey, Alexander.

Referee:—Staff-Sergt. Gilbert, R.A.M.C. The Borderers kicked off and immediately attacked. The first incident of note was a great shot by Skiggs which Pau Ka-ping saved well.

The Winning Goal. The Borderers were in aggressive mood. Taking advantage of the wind, Reeves scored a snappy goal high up in the corner.

Pau Ka-ping saved again, just after, in fine style.

South China dashed to the other end and Lau Mau put just outside.

Borderers' halves were playing finely and upset South China's combination.

Reeves was nearly through again, Pau Ka-ping saving at the expense of a corner.

Ip Pak-wa put over when well placed and Fung King-cheung sent in a "daisy" but this half was Borderers and they deserved their one-nil lead at the interval.

With the wind in their favour, South China made many splendid efforts but Fung King-cheung was carefully watched and Lai Tin-choy put weakly outside when in a good position.

Pau Ka-ping saved a fine effort to put the ball into his own goal in an attempt to pass back to Angus.

The end came with Kowloon making desperate efforts to get on terms. R.A. won by the odd goal in five.

H.K.F.C. v. 1ST QUEEN'S REGT.

At Happy Valley, the Hong Kong Football Club made a great fight in the first half and held their worthy opponents, the 1st Batt. Queen's Royal Regiment, but superlative forward play and a little Caldicutt proved too much for the locals who went down by six goals to nil. Teams:—

H.K.F.C.:—Logan; Wallington; Holt; Massey, Stewart, Watson; Alexander, Reed, McBride, Scott, Trambitsky.

1st Queen's Regt.:—Dodds; Hooper, Sharp; Morris, Hill, Byrne; Hibbert, Richardson, Canton, Barclay, Caldicutt.

Referee:—L.S.E.A. Atkinson, R.N. Club were the first to be aggressive and Watson, with a raspy, brought Dodds to his knees and Queen's had a lucky escape.

First Half Blank. Club kept up the pressure, but Trambitsky was at fault and Queen's were nearly through at the other end, but Wallington relieved well.

Scott was doing well on the Club left but Queen's raised the siege and Caldicutt hit the post with a header.

McBride was causing the Queen's defence much trouble, but the Club could not drive their attacks home and the breather arrived with no score.

Queen's opened the second half in great style and Richardson scored with a terrific drive.

The ball had not been centred long before Caldicutt added the second for the Queen's who were now on the rampage for goals. Barclay added to the total with a good shot and Caldicutt came along with a nice low drive which gave Logan no chance.

Caldicutt's Three. The Queen's were now on top but Club were ever trying and good work by Watson gave McBride a chance and the Club captain scored with a low drive.

Queen's came again. Cantor scored and then Caldicutt brought his total of the match up to three, the Queen's running out easy winners by six goals to one.

The Club's form is difficult to explain. During the first half, they were as good as their clever opponents, but when the Queen's started scoring, goals looked easy. The great difference in the merits of the teams was in staying power. Had Club led by a goal at the interval they would have deserved it, but chances were missed. Massey shone in a hard worked defence; and Scott and McBride were the pick of a rather hesitating forward line.

The wingers were not effective and Club did not try the long passing game as they might have.

Five Successive Wins. The Queen's were strong in all departments and in Caldicutt, Barclay and Richardson possess fine forwards—the left winger being an artist. Cantor was useful, but not a great centre-forward. Morris and Hill were sterling half-backs.

Hooper was a tower of strength and the back division generally was solid.

The Queen's possess a big record having played five games to date and won them all.

R.A. Behind Again. R.A. were the first to attack after the interval and Hill shot well from long range.

Sims then sent Spary away down the centre and the latter ran on and missed with only Fletcher to beat.

A moment later Pile obtained possession from Clemo and ran in to beat Fletcher with a cross shot. Kowloon were playing the better football at this stage, but the shooting was poor.

McKelvie brought off a great tackle when Woods was going through, and passed to Cornwall, whose centre was wasted. Spary led his forwards well but received indifferent support.

Deciding Goal. After 20 minutes, Maddocks dribbled past Baldwin and equalised with a fine shot.

A ding-dong struggle ensued and both goals had narrow shaves. Towards the end the Kowloon defence cracked, under pressure and Baldwin had the misfortune

RECREIO v. ROYAL NAVY

There was no lack of thrill when Club de Recreo beat Royal Navy by the odd goal in seven at King's Park, and the result was in doubt up to the final whistle.

Recreio just deserved their narrow victory for they were smarter in attack. Their defence, however, did not impress as much as usual and Marques should have saved the first Navy goal.

Teams:—

Club de Recreo:—Marques; Xavier, Silva Netto; Assumpcao, Remedios, Sousa; Brown, Ward, A. Gosano, Roza Pereira, B. Gosano.

R.N.:—Speirs ("Seraph"); Cope ("Magnolia"); Morton ("Seraph"); Chawner ("Cumberland"); Evans ("Bruce"), Moss

Referee:—Pipe-Major Mackie, 2nd K.O.S.B.'s.

Recreio kicked off against a stiff breeze and quickly made tracks for goal. Brown swung over a fine centre which Cope cleared in the nick of time.

A. Gosano was next prominent with a neat dribble but his shot was smothered by Speirs who rushed out to clear.

Ward Scores First.

For the first few minutes Recreio were well on top of the sailors and Ward opened the scoring with a beautifully judged drive.

SIR AUSTEN

HIS TRIP ON "PRESIDENT ADAMS"

SALUTED BY U.S. SHIP

When sailing from Balboa in the
Panama Canal zone on Sept. 21,
the Dollar round-the-world liner
"President Adams" (Captain W. C.
Morris), carried as passengers Sir
Austen Chamberlain, Lady Cham-
berlain, and their two children, to-
gether with a friend, of Miss Cham-
berlain's, Miss Seratchley.
Sir Austen Chamberlain travelled
from England to Balboa via Ber-
muda on the Royal Mail steam-
er "Orcoma," spending a few
days at Balboa before joining the
"President Adams." The trip was
passed very quietly, Sir Austen
Chamberlain spending his time
reading and conversing with Cap-
tain Morris and passengers. Lady
Chamberlain and the other members
of their party took an active inter-
est in deck sports and social ac-
tivities aboard the liner. Sir Austen
Chamberlain appeared much rested
from his sea trip.

Aeroplane Escort

Upon arrival at Los Angeles, the
"President Adams" was escorted by
four United States destroyers into
harbour. While at Los Angeles,
Sir Austen Chamberlain was the
guest of Mr. and Mrs. Douglas
Fairbanks, who accompanied the
party back to the ship just before
sailing. Admiral William Pratt,
Commander-in-Chief of the United
States Pacific Fleet, and staff called
on Sir Austen and Lady Cham-
berlain aboard the "President
Adams" just before sailing. On
sailing from Los Angeles, as the
liner passed the U. S. S.
"California," a salute of nineteen
guns was fired and an escort of
four destroyers and nine aeroplanes
accompanied the ship for two hours.
Upon arrival at San Francisco,
Sir Austen and Lady Chamberlain
were the guests of Mr. Templeton
Crocker, a leading financier of San
Francisco, spending two weeks at
Mr. Crocker's home in Burlingame
before continuing on their trip to
England by way of Canada.

Help for a Junk

An interesting incident in the
voyage of the "President Adams"
was the sighting of a large Chinese
junk approximately 120 miles from
the fairway buoy at the approach
to Shanghai. Attention was first
attracted to the junk when it was
noticed the crew were desperately
waving signal flags and buckets in-
dicating their distress and need for
fresh water. Captain Morris
manoeuvred the liner so as to ap-
proach the junk, which came along

side. The crew consisted of eight,
who reported they had been out of
water for four days. Approximate-
ly a ton and a half of fresh water
was delivered to the junk, the water
being transferred by means of
buckets. In reply to Captain
Morris' offer to supply them with
food, the master of the junk pointed
to a supply of fish lying on the
deck and to his fishing nets, indicat-
ing that they were well taken care
of in that respect. After a delay
of one-half hour, the s.s. "President
Adams" resumed her journey to this
port.

U.S. PRESIDENTIAL ELECTION

To-morrow (with the actual voting) will see the end of the struggle between the candidates for the Presidency. Since the Republican and Democratic conventions some months ago the campaign has been gradually increasing in fervour. Judging by what Senator Glass is reported to have said the other day, when he characterised the campaign as "the dirtiest in the history of the nation," much more than "fervour" has been present in the methods of those doing their utmost for their respective champion. The Democrats, (or some of them) in their efforts to promote the interests of their candidate, Governor "Al" Smith, have not hesitated to "vilify" Mr. Herbert Hoover by describing him as "pro-British," which is anathema to the American Irish and the German-American. They also accused him of being an "income-tax dodger" and probably had other equally absurd but irritating observations to make regarding the Republican Party's choice. On the other hand, certain Republicans appear not to have hesitated to make equally absurd and fallacious statements regarding Governor Smith. According to those persons, evidently more stupid than accurate and fair-minded, the Democratic candidate is, or has been, under the influence of the heads of Roman Catholicism, of which creed he is a member. He is also (so they said) inclined "to over-indulgence in alcohol." Governor Smith, like Mr. Hoover, had, of course, no difficulty in refuting such absurdities, and it is deplorable that they should have been called

upon to defend themselves against such disgraceful charges, all of which merely mean that both candidates are being served by individuals much more rowdy than reasoning.

Both Mr. Hoover and Governor Smith are, as a matter of fact, very well chosen, and their eligibility is in no way besmirched by the stupidities levelled at them by nonentities. The Republican candidate, Mr. Hoover, as Minister of Commerce in the Harding and Coolidge administrations and even long before he occupied such high official rank, proved his worth as one of the ablest of Americans. Democrats as well as Republicans were well served by him during the War, when he was on special missions in Belgium and elsewhere. And probably very few in America are better qualified than he to occupy the onerous post of Minister of Commerce. Nor should it be forgotten that when the tremendous calamity of quite recent times occurred as the result of the Mississippi overflowing her banks disastrously over a wide region, it was Mr. Hoover who was rushed off by Washington to save the situation. Probably no better choice could have been made, as few men have had wider experience in handling large affairs of the kind, for Mr. Hoover, besides being a leading statesman, is by profession a civil engineer. His task in the inundated regions was gigantic, but it is generally conceded that he performed his part admirably. Of Governor Smith it can also be said that the Democrats made a wise choice. Few men in the history of the United States have done so much as he and from an origin of so humble a character. He is very properly regarded as probably the ablest governor the State of New York has ever had, being generally recognised as a man of great natural ability and probity.

So far as it is competent for us to pass an opinion, either candidate is fully qualified to occupy the proud position of President and it is indubitable that by either Mr. Hoover or Governor Smith at White House the United States will be well served. To-morrow's voting will settle the point, though it is very probable that the full results will not be known until the following day.

At the St. Andrew's Church yesterday, special services marked the observance of the Harvest Festival.

Mr. W. J. Stokes, Secretary of the Marine Engineers' Guild of China, has been removed to the Matlah Hospital, suffering from a nervous breakdown.

Arriving here with 34 passengers from Bangkok and Swatow, the British a.s. "Kwangchow" reported the death of one Chinese male deck passenger from consumption.

Motor-buses of Hong Kong Tramways, Ltd., were put on the run for the first time this morning, on the tram route between Western Market and Happy Valley, at intervals of seven or eight minutes, and fares of ten cents.

Mr. Morrison, staying at Room No. 27, Peak Hotel, reported to the police yesterday that some time between 9.15 p.m., on Saturday and 7.30 a.m., yesterday, a thief forced open a locked drawer in his room and stole \$65 in money.

The forthcoming marriage in Hong Kong is announced of Mr. James May, mechanical engineer, of the Asiatic Petroleum Co., Shanghai, and Miss Helena Mohan, a professional nurse who is coming here on the P. & O. "Naldora."

A cargo coolie was yesterday removed to the Government Civil Hospital with a fractured spine. The injury was caused through a heavy bale of cotton falling on him, while he was at work in the Hip Woo Loong godown at West Point. The man's condition is very serious.

At the Marine Court this morning, the master of a cargo boat was fined \$10 for failing to exhibit a regulation light on the evening of November 3. In another case, the mistress and a steersman of a cargo boat were each fined \$10 for obstruction in the southern fairway.

Mr. C. de S. Robertson, who was for many years on the management staff of the Hong Kong and Shanghai Hotels, Ltd., and for the past seven months manager of the catering department of Messrs. Lane, Crawford's restaurant, was a passenger by the a.s. "Hakusan Maru" which sailed for Europe via ports on Sunday. Mr. Robertson resigned his position at Lane, Crawford's to join the executive staff of the Runnymede Hotel, Ltd., in Penang.

The Committee of the Club de Recreo have issued invitations to the unveiling of a Memorial to the late Private F. M. Soares, of the 3rd Battalion Middlesex Regiment, who lost his life on the Ypres front during the World War. The late Mr. Soares was a Portuguese member of the Hong Kong Volunteers when he joined up with the first Hong Kong contingent. The Hon. W. T. Southorn, C.M.G., the Officer Administering the Government, has signified his willingness to unveil the Memorial at noon on Armistice Day in King's Park.

CORRESPONDENCE

"POPPY DAY"

(To the Editor of the "China Mail.")

Sir,—I should be much obliged if you would publish the enclosed telegram received by the local branch of the British Legion from Earl Jellicoe, President of the British Legion.

I may mention that the local Committee are hard at work organising collections. Street collections will be made by ladies on Sunday next, the 11th inst., as usual.

Last year the sum of £2,013 was collected and it is hoped that the generosity of the public will enable a bigger sum to be remitted home this year.

The Poppies sold are made in the British Legion factory where 240 disabled Ex-Service Men are employed, whose average disability is 70 per cent. and of whom 54 are 100 per cent. disabled. In addition to these there is a waiting list of some 800 men for whom it is practically impossible to find work in the open market. And Lord Haig always laid great emphasis on the fact that it is part of our work to help those badly disabled men to employment.

Yours etc.,

For Poppy Day Committee, British Legion.

Hong Kong, Nov. 5, 1928.

Telegram from London, dated October 17, 1928.

To: British Legion, Hong Kong.

To all who have so generously supported Poppy Day Fund in Hong Kong and associated districts in China in the past I wish to express my heartfelt thanks and hope that this year may see a renewal of their sympathetic and practical interest.

THE NEW BIRTH

CHINESE EVANGELISTS ADDRESS

AT GOSPEL HALL

Mr. Leland Wang, the well-known Chinese evangelist, delivered an address on "The New Birth" at the Gospel Hall, Duddell-street, on Sunday, October 28, before a large audience.

Mr. Wang, who spoke in English, said:—

I thank God for this privilege of talking to you. I am glad to see you all. I am come to bring good news which concerns us all. Suppose a man is dying and his wife is standing by his bed looking into his face with tears running down her face and the children are crying around him. The family tie is going to be broken and we say it is very sad. Then someone drops in and says, "You need not be troubled. I can heal him and raise him up—I am come to bring life." Would this not be good news for the family? We have been dead in sins and trespasses for a long time but Christ has come that we might have life and have it more abundantly. There is life in Him. This is the good news for us all. The children of Israel in the wilderness were dying of the bite of the serpents. God told Moses to make a brass serpent and everyone who looked on the brass serpent were healed. There is life in a look—when they looked they lived—that was good news for the Israelites. Good news for those who are dying.

Good News

Christ came to bring life to the souls who are dead in sins and trespasses. First of all I would like to say that life comes from God. He is the fountain of life and in His light we shall see light. God is the creator of all different kinds of life. Nowadays we see aeroplanes—submarines. Man is very clever—but he cannot give life. He cannot make a bird—life comes from God. We have seen talking machines but there is no life in them—moving pictures but no life—photographs but lifeless. Last Friday I came down from Canton and met a foreigner on the train. I talked with him about God. He did not believe in God—he said man could create things—even children. We cannot create children—we are only producers. In China we like to have boys—we do not like too many girls—but we have no power to even produce boys. The Mother gets tired of having a girl all the time and when a boy is born to the family there is great happiness.

Fountain of Life

We know that we are living—we have life but it is only physical life in the sight of God. Those who don't know God are enemies of God. They are dead in sins and trespasses—they have no spiritual life. Their spiritual life is dark and dead in the sight of God so there comes the necessity of being born again—new life from above. When Nicodemus came to Jesus he said "Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him." Jesus answers "Ye must be born again." It is wonderful to me that he should say that to Nicodemus. If Jesus had spoken these words to a Samaritan woman—she had so many husbands—she had need of new life—or to the thief on the cross—he was a robber—he had need of new life.

He spoke these words to a gentleman moving in a high society—Nicodemus was a Rabbi—he had the first seat in the synagogue—he was honoured. "Ye must be born again"—that means everyone who wants to come into the Kingdom of God must be born again. One may have the degree of D.D. but never come to the knowledge of God. We must have the degree of B.A.—Born Again—before we can enter the Kingdom of God.

Some of us have been in the world for 30 years or fifty or sixty years—we may be professors—doctors—or business men—but there are two things we agree on. One is that we are pilgrims on this earth—we cannot stay here very long—one day we must leave this world. Our time is very short. This world is full of sorrow—sin—sickness and tears. There is no joy or peace in this earth. We all agree on this but there is a world where there is no sin—no sorrow—no darkness—where it is bright as day.

There is only one way to go to that world—that is by being born again. "He that is born of the flesh is flesh and he that is born of the Spirit is spirit." There are so many people on this earth who have not heard of this world—different kinds of colour—skin and race. How did we come into this world? Only one way—by being born into the world. No one jumped down from heaven—no one came from monkey. I have never seen it and I do not believe it. Kings or beggars we all came the same way—we were born into the world. There is only one way to get to that other world

up there—that is by being born into it—it is very simple.

Born Again

May God open our eyes to see the necessity of being born again. People say: "I do not like the Bible—it is very dry." The trouble is that they cannot see. They cannot say with the blind man of John 9, "Once I was blind but now I can see." When God opened his eyes He gave him a fresh version and the Bible became a new book to him.

Once we are born again—we have new life and are hungry and thirsty after God and righteousness. We want something to satisfy us and we feed on the word of God. When we had no life we did not want it. I was once asked to see a wonderful horse in a kindergarten in Canton. It did not eat grass! It was a wooden horse—no life, therefore no need of grass. Some have no spiritual life—therefore no need of the Bible—no spiritual appetite—no knowledge of God.

Light From Above

"As new born babes desiring the sincere milk of the Word." This milk is only for the new born babes in Christ. People criticise the Bible and some question why Christ came and died and why we are always talking about the second coming of the Lord Jesus Christ. But when you are born again you get light from above and everything will be new to you and then you won't criticise. We know that our nature from our first father Adam is bad and we can do nothing to alter our nature. We may try hard but we could never work out our own salvation. It is by being born again. When the Spirit of God convicts us of our sins and reveals the Lord Jesus Christ as the Saviour—that "through His stripes we are healed"—we have life. We know that He rose from the dead—we have a living saviour. It is by faith in Jesus Christ.

Some say, "I have tried hard to be good—I give money to the poor—I am a member of the Church—I go to church every Sunday—I am baptized"—full of "I," "I," "I"—full of works. That is not Salvation—that is not faith. Faith is taking—receiving—believing in Him—then God will give you authority to become a son of God. (John 1:12/13).

The work of His Holy Spirit in the hearts of men is threefold (John 16).

1. Convicting hearts of sin and unrighteousness. The name given to the Holy Spirit is Comforter but his work, is first to discomfort the hearts of men.
2. Reveal the Lord Jesus Christ as the sin bearer who died for our sins. It is one thing to know ourselves as sinners but we must also know Jesus Christ as our Saviour.
3. He is the Spirit of Life—He gives us new life. (Romans 8:2).

An Illustration

Let me give you an illustration—I think most people in Hong Kong know how to swim. Suppose a man is drowning and someone jumps in to save him—the first thing that person would do would be to knock him senseless, so that he cannot struggle. You must not say that that is cruel, otherwise they will both be drowned. The way of salvation will give you a big blow—will convict you of your sin—of pride—pride of race—pride of place—of jealousy of all kinds of sin—until you become humble and say, "I am unclean; altogether undone. Lord have mercy on me." Then the Lord will visit you with His Salvation.

We have seen during the last year or so the Church in China going through persecution. We have seen some people who professed to be Christians turn out to the enemies of the Church. Those who have been brought up in Missionary schools—under Christian influence are the worse enemies. We cannot change the nature of people—we can train men to be preachers but that does not mean to say that they are Christians.

Tiger as Lamb

I read of a story of a gentleman in India who kept a tiger as a pet. It was brought up with his dogs in his home. One day he was reading and the tiger came and licked his hand. He tasted blood and became dangerous. The master knew the nature of the tiger was aroused and he had to shoot it. Why did the tiger turn an enemy of his master? It was his nature. You cannot train a tiger to become a lamb.

We cannot train men to become Christians—it is not by learning or reading—it is by being born again. Several years ago I met a man in Kulling. One night he stood up and gave his testimony. "This morning I heard Mr. Wang speak. He told me I was an officer of the navy. I was the leader of bandits. I had 3,000 men under my control—they called me 'No. 1' tiger. But I heard the Gospel—that Christ died between two robbers and that one of the two robbers was saved. If that robber could be

THE NEW BIRTH

(Continued from Page 6.)

saved why not? I accepted Christ and became a Christian." The Tiger became a lamb. We cannot train people to be Christians, but when they receive the Lord Jesus Christ their lives are transformed—born again. This is the Gospel—this is good news. He that is in Christ is a new creature.

We see a motor truck with some dirty, filthy pieces of rags—of no use to anybody—but they are taken to a factory and a week later the motor truck comes out with nice white paper.

"All our righteousnesses are as filthy rags" but when we receive Jesus Christ we become new creatures. It is wonderful. We have eternal life—nothing less can satisfy us. When the Lord Jesus Christ spoke to Nicodemus about the second birth he spoke about Moses in the wilderness. I think it is a wonderful illustration in connection with the second birth. Moses lifted up the serpent to bring life to the dead. New life is life from above—Christ was lifted up on the Cross. He was crucified for our sins and when we look on Him the burden of our sin rolls away.

Look on Him
I know I am born again but I do not know how I was born. But I know whom I have believed. It is blessed to know that we have new life from God—that we move and work in Him and commune with Him and talk and have fellowship with Him. We have peace with God.

I like to quote the story of Spurgeon when he went to the little Chapel and heard the preacher say, "Look unto Me and be saved." He took that verse and believed and turned out to be the greatest preacher. Look on the crucified one—do not look at yourself or at other people. He is the life giver—He laid down His life that we might have life. He gave His life a ransom for us and through Him we have life. "I am the Way, the Truth, and the Life." There is no other name under heaven through whom we can be saved. Pray "Lord have mercy on me—save me for I am undone." It is very simple—you need not wait until to-morrow—do it to-night—take it by faith.

LESSON SERMON

FIRST CHURCH OF CHRIST, SCIENTIST, HONG KONG.

"Everlasting Punishment" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 4.

The Golden Text was:—"The hope of the righteous shall be gladness: but the expectation of the wicked shall perish" (Proverbs 10: 28).

Among the citations which comprised the Lesson-Sermon was the following from the Bible:—"The wicked worketh a deceitful work: but to him that soweth righteousness shall be a sure reward. As righteousness tendeth to life: so he that pursueth evil shall pursue it to his own death. They that are of a froward heart are abomination to the Lord: but such as are upright in their way are his delight. Though hand join in hand, the wicked shall not be unpunished: but the seed of the righteous shall be delivered" (Prov. 11: 18-21).

The Lesson-Sermon also included the following passages from the Christian Science text-book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:—"We should relieve our minds of the depressing thought that we have transgressed a material law and must of necessity pay the penalty. Let us reassure ourselves with the law of Love. God never punishes man for doing right, for honest labour, or for deeds of kindness, though they expose him to fatigue, cold, heat, contagion" (p. 384).

AT MACAO

LOCALS ATTENDED FAIR AND RACES

GOOD SWEEP RETURNS

A very big crowd attended the race meeting at Macao yesterday, many well-known racing men and enthusiasts going over from Hong Kong. His Excellency, Dr. Joao de Bianchi, Portuguese Minister to Peking, was present as the guest of H.E. the Governor of Macao.

In the evening, the Macao Fair was opened, and attracted many hundreds of visitors. It was opened at 9 p.m. by H.E. the Governor of Macao, who was accompanied by H.E. the Portuguese Minister.

The well-organised Fair speaks well for the commercial acumen of Macao, and it is gratifying that part of the proceeds will be devoted to charities.

Among the many visitors to the races were the Hon. Mr. Gordon Mackie, Mrs. and Miss Gordon Mackie, Mr. Joao Magalhaes, Mr. A. G. Bethell, Major and Mrs. Lake, Mr. and Mrs. Hashim, Mrs. Ho Fook, Mr. Ho Leung, Mr. Stanton, Mrs. Priestley, Mr. L. Reidy, Capt. Wolfe Murray, Mr. McCartney, Mr. Clark, Mr. J. P. Braga, Dr. and Mrs. Horacio Carvalho, Mr. and Mrs. Daurte Veiga, Mr. Tito Pinares, Lt. Col. and Miss Lobato, and many others.

The stewards present were Mr. H. H. Priestley, Chairman, Dr. Pierce Grove, Mr. Ho Kom-tong, O.B.E., Dr. Carlos de Mello Leitao, Mr. J. M. Braga, Mr. F. Sutton, Mr. S. W. Cheng, Secretary, and the other officials included Mr. C. M. S. Alves, Mr. W. D. Fiddes Wilson, Mr. W. G. Pirie, and Mr. D. P. J. Lopes.

Pressure on space does not permit the giving of the racing results in full. The various stables met with fairly even success, whilst Clark and G. da Roza were the most successful jockies, each securing three places.

The case sweeps did good business, and with tickets at \$3 a piece gave excellent prizes, comparing very favourably with these given for tickets at \$5 each, as heretofore. The biggest prize of the day was in the fourth race, \$279.

Mr. Ho Kom-tong, O.B.E., who was one of the Hong Kong visitors to the Macao Charity Fair on Saturday, through His Excellency the Governor of Macao, sent a donation of \$100 for the charity funds of the Fair.

DRUMS OF LOVE

HUGE CAST IN SPLENDID PRODUCTION

LIONEL BARRYMORE

D. W. Griffith's "Drums of Love" which will be presented at the Queen's Theatre from Wednesday next, according to a special advertisement in this issue, is the story of two brothers who solemnly swear to uphold each other's honour and tells of how they are brought to a grave crisis when they both fall in love with a beautiful girl held by them as a hostage. The theme is based on the historical incident of Francesca da Rimini.

As "Sorrento and Son" was an epic of fatherly love, so "Drums of Love" is an outstanding work in the seldom-attempted field of brotherly love. The production is spoken of as being one of D. W. Griffith's greatest pictures and the director himself compares it favourably with "Intolerance," "Broken Blossoms" and "The Birth of a Nation." No pains were spared in making the picture one of the most lavish yet turned out by United Artists. More than eight thousand extras were employed from time to time when the picture was being filmed. Mary Philbin, Lionel Barrymore, Don Alvarado and Tully Marshall are among the principal players.

LIVELY FILM

"FASHIONS FOR WOMEN" AT THE QUEEN'S

PIQUANT SCENES

Pretty Paris dresses, lovely girls and excitable Frenchmen all went to make "Fashions for Women," which is now showing at the Queen's Theatre, a very acceptable picture. It attracted full houses at all its showings yesterday, and those who wish to see it to-day will have to book their seats early.

The film deals with the love of a girl who sells cigarettes in a restaurant for a handsome Viscount, who had been a flying ace during the War. He would not look at her, at first, but when she secured a well-paid job as substitute for the Queen of Paris mannequins at the biggest fashion show of the year, and he had lost all his money in the stock exchange, she engaged him as her "air-chauffeur."

Then he discovered that the estimates of his brokers had been wrong and he was still rich after all, but he preferred to keep his job. Finally, the two found that they were made for each other, then the rest can be guessed.

SENORITA

RETURNS TO QUEEN'S TO-MORROW

In response to numerous requests, Bebe Daniels' lively comedy of love and adventure in South America, "Senorita," will be screened again at the Queen's Theatre on Tuesday next, according to a special announcement in this issue.

Bebe, herself, is seen in the role of a North American girl of Spanish descent who visits her aged grandfather at the ancestral home in South America. Upon her arrival she learns that her grandfather has always understood her to be a boy and that for her to appear in other guises would break his heart. With characteristic impulsiveness she masquerades as a boy and appears to her grandfather in that guise. Situation follows situation in bewildering sequence. Not only is she accepted as a boy but finds herself in a position where she must make good as the youthful head of the family. She does, to the satisfaction of everybody concerned.

"THE SERENADERS"

OPEN LOCAL SEASON TO-MORROW

AT THE STAR

"The Serenaders," headed by the well known entertainer, Jack Carter, will commence a brief season at the Star Theatre to-morrow at 9.15 p.m., according to a special advertisement in this issue. This popular revue company comes to Hong Kong direct from Shanghai where it has played with great success for four years. Among the outstanding members of the troupe is "Bo-Diddy" whose specialty is an extremely clever eccentric dance in which he spins around on his head as a finale to a complicated series of steps. The principal comedian is Jack Carter himself who has a rich supply of new "gags" and comedy items. Seats may now be booked in advance for entire season at Moutrie's or the Star Theatre at the popular prices of \$3, \$2 and \$1.

"THE FAIR CO-ED"

FINE COMEDY AT THE WORLD

"The Fair Co-ed" with Marion Davies in the leading role is being screened at the World Theatre for final performances to-day. The picture presents college life in its most enjoyable form, and portrays the adventures of a high-spirited girl. Thrills and laughter are intermingled with the best results, and make the picture a very enjoyable evening's entertainment.

Two Chinese, who were arrested in connection with a fire at the Ngai Yuen Garden, in the Sheung Shui district, were each sentenced to one day's imprisonment by Mr. J. A. Fraser, District Officer, North, at Taiipo. One of the defendants, master of a rice and wine shop, was further ordered to pay \$100 as compensation to the owner of the garden. About 3,000 pine trees were involved. Mr. G. B. Twemlow, of the Botanical and Forestry Department, assessed the damage at \$100.

SOCCER FEATURES

(Continued from Page 4.)

Recreio were aggressive again
straight from the kick-off and A.
Gosano worked through in
beautiful style but shot wide.

The Navy defence was having a
gruelling time and Speirs was
forced to rush out from goal on
several occasions. Recreio were
combining beautifully and had
the Naval defence tied up into
knots.

At length the sailors got going
and Pomeroy gave to Firth whose
shot was very near the mark. At
the other end the Navy had a
wonderful escape, when the ball
canonned off Speirs and trickled
sideways in front of an empty
goal. An exciting tussle in the
goalmouth ensued but the tension
was relieved when A. Gosano shot
over.

Half-time came with Recreio
leading by the only goal scored.

Navy Equalise

The second half opened with a
strong attack by Recreio.

After five minutes, Roza
Pereira received from B. Gosano
and scored from close range.
This second shock put life into
the sailors and for a time they
were prominent with persistent
raids on the Recreio goal.

A fine bout of passing between
Pomeroy, Firth and Van Tromp
led to Navy opening their account
through Firth, Marques letting
the ball slip through his hands.

Navy were now having far
the better of the play and
Marques was called upon to deal
with shots from Van Tromp and
Pomeroy, while Mann scraped the
cross-bar with a fine header.

The equaliser was not long in
coming. Marques came out of
goal in an endeavour to clear and
lost the ball, which went to Mann,
and the latter had only to place it
into an empty net.

A. Gosano's Double

Excitement ran high when
Recreio again took the lead al-
most straight from the kick-off.
A splendid run by B. Gosano had
the Navy backs guessing and the
ball came over to A. Gosano who
scored from close in.

Recreio were doing all the at-
tacking at this stage and A.
Gosano added a fourth within five
minutes with a header which gave
Speirs no chance.

The sailors never gave up try-
ing and a fierce attack culminated
in Pomeroy flicking the ball into
the corner of the net.

Pomeroy made several fine in-
dividual bursts in the closing
stages, but Recreio managed to
hold on to their lead and a most
interesting game ended in a vic-
tory for the home team by 4-3.

Division II

'Varsity v. K.O.S.B.

Putting on three in the first
half, the 2nd Batt. King's Own
Scottish Borderers defeated
University by 4-1 at Happy Val-
ley. The 'Varsity custodian play-
ed well—in spite of the score.

The Borderers scored in the
first five minutes of the game.
Craig (outside-left) took the ball

down the wing and the centre
which he put in appeared to
swerve with the wind, but Craw-
ley helped it along. Crawley
scored the second goal with a run
through on his own. Hart added
the third in a scrimmage in front
of University's goal.

The second half was not quite
so one-sided as the first. The
University now had the advan-
tage of the wind and made good
use of it by lifting the ball in the
air as much as possible. They
scored first in this half, through
Candah who, supported by an-
other forward, went through the
centre of the field and scored
with a well placed shot.

Crawley obtained the Border-
ers' fourth and last goal towards
the end.

RECREIO v. QUEEN'S

The 1st Batt. Queen's Royal
Regiment deservedly won from
Club de Recreio at King's Park
by three goals to nil. The in-
fantrymen were always the better
side and Recreio have to thank
Beltrao for a fine display in goal;
otherwise the score would have
been much heavier.

Harris opened the scoring;
after five minutes' play, with a
magnificent first-time drive.

Queen's continued to do prac-
tically all the attacking, but their
shooting was inaccurate at times.

Queen's were awarded a pen-
alty early in the second half, and
Bunn made no mistake with the
kick. This player led his for-
wards well and had hard luck on
several occasions with shots
which were charged down.

Evans added the third goal
after a smart piece of work by
Gill.

R.A. v. R.A.F.

Royal Air Force vanquished
Royal Artillery at Sookumpoo by
seven goals to nil.

The Artillery attacked first but
the defence of the Air Force was
strong.

The Airmen now came into the
picture and Gallacher opened the
scoring. Soon after, Steele added
the second and the ball was kept
in the Gunners' territory.

The second half saw a more or
less complete rout of the Gunners,
five goals being scored by the
R.A.F. (Gallacher 2, Greenslade 1
from a penalty for hands, Steele
1, Carey 1.)

Carey's goal was the feature of
the match. Taking the ball on
the line about thirty yards out,
he beat four or five opponents
and gave the goalkeeper no chance.

But for an occasional break-
away by the Gunners, the winners
had the game well in hand.

Davey, for the losers, played a
hard game all through, having a
"handful" in Gallacher and his
partner.

ST. JOSEPH'S v. SMALL UNITS

Playing on St. Joseph's ground
at Happy Valley, the Army Small
Units were unfortunate in not
securing their first victory of the
season.

In the first half the Small Units
were in the St. Joseph's half prac-
tically the whole time. They ob-
tained the lead after 15 minutes,
thanks to a goal scored by Wil-
liamson from a pass by McGuire.
They missed many opportunities
in this half (which they had no
hope of getting in the second) as
they were favoured by the wind.

The second half was more even,
with the advantage on the side of
St. Joseph's, who evaded matters
up from a penalty, taken by
Leonard, who put in a superb
ground shot, which left the goalie
"cold."

In the latter stages of the game,
St. Joseph's bucked up but no
further score was added.

EASTERN v. SOUTH CHINA 'A'

An exciting, even game was
witnessed between Eastern F.C.
and South China "A" team at
Happy Valley, the score of one-
all being a fair reflection of the
game.

Eastern were unlucky when,
after ten minutes, owing to a mis-
understanding between the two
backs, they put the ball in their
own goal between them. How-
ever, they made amends. Within
the next ten minutes, they equal-
ised through Dallah, who scored
with a lovely shot.

The second half was a repeti-
tion of the first, inasmuch as
that both sides tried their hard-
est to obtain the lead, play being
mostly from end to end, but the
final whistle blew without either
citadel capitulating again.

KOWLOON v. R.A.M.C.

Kowloon F.C. Reserves, on their
own ground, beat Royal Army
Medical Corps comfortably by
three goals to nil. Play was
never very interesting and both
forward lines showed weakness
near goal. Sutherland got
through for Kowloon after Taylor
had fumbled a shot from Davis.
The home team were continually
being pulled up for offside and
many good efforts were nullified
in this way.

R.A.M.C. had more of the game
after the interval, but could do
nothing right when near goal.
After 15 minutes Blacklock sent
over a fine centre, from which
Davis netted. Skinner played a
fine game at centre-half for the
losers and gave his forwards some
perfect passes which were not
turned to account.

Easterbrook scored the third
goal with a long shot which re-
ceived Taylor.

SIG. MORRIS'S PROWESS IN THE RING

H.K.B.A. 2ND TOURNAMENT

Forty-two rounds of fighting, with one knock-out, characterised the opening tournament of the Hong Kong Boxing Association held at the Theatre Royal on Saturday night. As a result of the championship bout the welterweight belt passed from Marine Fraser to Signalman Morris, who is already middleweight champion of the Colony. In this contest the former was knocked-out in the tenth round after providing most of the attack. Morris, as usual, played a waiting game and had his man well weakened before administering the decisive blow.

Of the other four bouts the ten round welterweight contest between A.B. Moore and A.B. Saunders was the best. It went the whole distance and Saunders took the decision. In another ten round fight A.B. Castle defeated Signalman Shons, contrary to expectation. A.B. Vahey lost his fight with Harry Major, the one bad decision of the evening. The final encounter, a six round middleweight contest between Piper Smith of the 2nd K.O.S.B.'s (the only military contestant) and A.B. Tremming, was declared a draw. Neither man knew much of the game but aroused the spectators to a high state of enthusiasm in the last round when both went all out.

On the whole the tournament was a success though it seemed that most of the contestants were not absolutely fighting fit.

One Bad Decision

A.B. Vahey (H.M.S. "Seraph") 114½ lbs. and H. Major (Hong Kong) 118½ lbs. met in the opening event. The local lad was the first to score with right and left body blows, but Vahey put up most of the attack in the first round which ended fairly evenly. Major went after his man in the next, attempting to get home with his right. A warning for holding was well-merited. At the end of this stanza the "Seraph" man was leading slightly, scoring with heavy lefts to the head. Major had his right connecting with the body in the third, but the blows lacked their old power. The fourth was slow and even. Vahey did most of the leading in the fifth, but after a close-in set to was caught off his guard and dropped for a couple of seconds. The last round was a ding-dong affair, another caution being administered, and the contest was given to Major, a distinctly unfair decision which met with the amount of boing it deserved.

A Good Bout

In a scheduled ten round bout at featherweights Sig. Shons (H.M.S. "Seraph") 123 lbs. met A.B. Castle (H.M.S. "Cumberland") 133 lbs. The opening was quiet but in a short while Castle waded in with a two-handed attack which gave him some good points. Shons seemed to take matters too matter-of-factly. Castle continued to beat his man to the punch in the second, as he did in the next without doing much damage. In the fourth Shons made more use of the ring, but was still on the losing end when the fifth round was called. This saw the

lads mixing it more and indulging in wild swings. Castle had the better of it but failed to follow up when he had his man temporarily non-plussed. The "Cumberland" man took the next round, and the seventh was level. In the next Shons was floored and took more punishment on rising. The ninth went to Castle, though Shons managed to dodge the real hefty and well signalled slams. Both fought themselves to a standstill and the verdict was given to Castle—a popular decision. Both got a good "hand."

Tired Out

A.B. Moore (H.M.S. "Cumberland") 142 lbs. engaged A.B. Saunders (H.M.S. "Seraph") 143½ lbs., at welter over ten rounds in the third event. The start was fast with the "Seraph" man doing the attacking. Moore had the advantage in height and reach but could not keep his opponent off. A hot round finished with Saunders well ahead. The second was even, though uneventful, both men being content to box rather than slam. In the third Saunders resumed his attack, only more flashily and was having things much his own way until Moore steadied him with three jabs to the face—anybody's round. The next, too, was easy though it displayed pretty boxing on the part of both lads. There was nothing in the next as points go, Saunders scoring at the opening and Moore picking up at the end. In the seventh Saunders scored with some nice lefts, short jabs and went out in the next round as if he meant to finish Moore off. The former tired, however, half way through, and again had to take a few punishing thumps. The ninth showed some nice mixing, both fighting themselves tired. The last stanza was a repetition of many that had gone before, Saunders being on the attack at the opening but failing to maintain it. Saunders was given the verdict.

The Big Fight

Defending his welterweight championship belt Marine Fraser (H.M.S. "Tamar") 145 lbs. clashed with Signalman Morris (H.M.S. "Magnolia") 145 lbs., who is the middleweight champion. The opening round was a "feeler" and not a blow of weight was struck. Morris had the advantage in height.

Round 2—Both sparred cautiously at the outset and in the clinches felt for body openings. Fraser scored first, with Morris on the ropes, with an overarm right swing. Round 3—Opened scrappily, with Fraser pressing. Morris, however, scored whilst on the defensive. Both put in a lot of work but blows lacked sting and at this stage the full journey of 15 rounds looked most likely.

Round 4—Morris scored with a right jab and followed up with some close-in body work two handed. Fraser started wading in but found the "Magnolia" man hard to hit at short range. Nothing in this round, nor in the previous three.

Round 5—Both punching hard for a spell. Fraser on the attack. Here he took a point or two more than Morris, scoring with left lunges. Round 6—A pretty bit of fighting was followed by the "Tamar" man registering two straight lefts. Morris then caught Fraser in the body with his right and distinctly slowed the attack. The round went to the "Magnolia" man, who was slamming heartily at the close.

Round 7—Fraser took some punishment from right upper cuts at the opening, leaving his face wide. He came back, however, to clout Morris on the ear, and after some heavy exchanges, the round ended easy.

Round 8—Morris had to take two clips to the jaw whilst on the retreat before he got into any sort of stride and then, with sound and well placed thumps, he hurt Fraser up and down, putting him down, the "Tamar" man being saved by the

BOWLS

CIVIL SERVICE SURPRISE CRAIGENGOWER

FERGUSON CHAMPION

Saturday was a red letter day for local lawn bowlers, who attended in full force at the Kowloon Bowling Green Club to see the finals of the Open Singles Championship of the Colony and of the Spey Royal Cup.

A surprise was provided in the Spey Royal Cup final, which was started first. Great things were naturally expected from the Craigenower Cricket Club, this season's winners of the Senior division of the League, but there was no holding back the Civil Service four on Saturday. They were all in fine form, and played very well together, winning with five shots to spare.

Craigenower started well and scoring two in each of the first two heads without reply, looked like making short shift of their opponents. Civil Service had their first look in in the third when they reduced Craigenower's lead by two, and then they simply refused to look back.

At the fifth head the scores were level at 4 all. Then Civil Service took the lead 6-4 in the sixth, and remained in front right up to the tenth head when Craigenower drew level at 10 all. After this hopeful spurt, Craigenower again failed to come off and within the next two heads Civil Service established a bigger lead than before—17-11. This lead the Civil Service maintained right up to the finish, Craigenower being able to reduce it by only two shots, losing 16-21.

The Open Singles Championship

match was between J. Ferguson (Taikoo R.C.) and A. R. Clark (Police R.C.), and commenced nearly an hour after the Spey Cup match.

A very keenly contested game was promised at the outset, but Clark fell away after the fourth head when he was one down. After Clark had scored one in the first head, Ferguson took the lead from the second, from which moment he forged ahead steadily, leading by ones and two until the sixth when he had four shots in hand. This advantage he had increased by six when the last head was reached, and ran out a good

bell after three seconds on the floor.

Round 9—Fraser tried to force matters but was obviously hurt and Morris, judging his punches, almost had the other man down again. Neither had much of a punch left at the end.

Round 10—Fraser took the offensive but was again weakened by heavy body blows and put down and out with a right to the point followed by a right chop on the back of the neck. Mr. R. M. Dyer presented the belts to Morris.

Laughs

The final bout was between Piper Smith (2nd K.O.S.B.) 154½ lbs. and A.B. Tremming (H.M.S. "Hermes") 148½ lbs., over six rounds. It was a draw. Neither knew much, if anything, about the game, though they provided entertainment in the last round by their efforts to "paste" one another.

winner by 21-11. With the exception of the fourth head when he looked good with a well played two, Clark's scores throughout the match were singles.

Taikoo (R. Wallace, J. Laing, J. C. Chalmers and Morrison) were also handed cups, which, owing to an oversight, was not done last year. Mrs. Wylie was the recipient of a beautiful bouquet and holder, handed her by little Miss Rosie Nish, and also three hearty cheers, a compliment that was also paid the ladies.

A Record

On the Civil Service C.C. rinks yesterday afternoon, local lawn bowls records which will perhaps never be bettered was created in a match between the Dockyard R.C. and the Hong Kong Electric R.C. It was a return encounter, the Dockyard having won the first match on the Electric new rinks at North Point. Dockyard won again yesterday by the astonishingly big margin of 83 shots, an undoubted record. Another record was made by the Dockyard when they won on the first rink by 52-0. The results on the other two rinks were: Dockyard 17, 37; Electric 15, 8. The highest score recorded in the League was made this season by the Club de Recreio "A" team when they topped the "century" mark in one match, but their winning margin was under 70 shots.

WEEK-END CRICKET

KOWLOON MEET ROYAL NAVY & VOLUNTEERS

H. K. C. C. BEAT THE ARMY

Kowloon Cricket Club 1st XI were engaged twice during the week-end, drawing with Royal Navy on Saturday and defeating Hong Kong Volunteer Defence Corps yesterday. On Saturday the Club just beat the Army.

Three matches in division II of the league were played on Saturday, the Indian R. C. 2nd XI recording their fourth consecutive victory. Sup-Inspector C. F. Alexander of the Traffic Department, performed the "hat trick" for Police R.C. and is the first bowler to accomplish the feat in a League fixture this season.

H.K.C.C. v. THE ARMY

On their own ground, Hong Kong C.C. defeated the Army by 11 runs.

The home team started poorly but a useful contribution of 50 runs by Lammer helped to bring their total to 143. Hayward, scoring in first, played steadily for 31. Lt.-Col. Christian distinguished himself with the ball, taking five wickets for 22.

The Army were 11 runs behind when their eighth wicket fell and the last three batsmen failed to add to the score. Lee/Cpl. Miles knocked off 88 in quick time, Capt. Dobbie scored 23 and Capt. Evers 21. Bonnar was the most destructive bowler on his side, getting five wickets for 24. Scores:—

KOWLOON C.C. v. NAVY

Entertaining the Royal Navy, Kowloon C.C. played a drawn game with their visitors.

Scoring consistently, the Navy put up the respectable total of 157 for nine wickets, declared, to which Capt. Weir contributed 30. Lt.-Comdr. Abelson 28 and E.R.A. Hill 23. Goodwin captured five wickets for 30.

For the K.C.C. Brace batted brilliantly for 63, being ably supported by Goodwin (36). The home team were still 28 runs behind the Navy total when Overy (7 not out) and Hirst (12 not out) played out time. A.B. Large bore the brunt of the attack, returning the useful analysis of seven for 56. Scores:—

Police v. R.A.O.C.

In a low scoring match at Happy Valley, Police R.C. defeated Royal Army Service Corps by two wickets.

Bowling unchanged and taking 13 wickets for 43 runs and 5 for 34 respectively, Lacey and Alexander were largely instrumental in dismissing the R.A.O.C. for 81. Alexander performed the "hat trick," the first to do so in a league match this season.

Morgan (22) and Bryant (11) were the only batsmen to get into double figures.

Hunter (23) and B. G. Baker (27) gave their side a good start but the Police did not pass their opponents' total until the eighth wicket and then went on to make 86 for 9. Corbett captured four wickets for 27 and Morgan 5 for 39. Scores:—

Recreio replied with 63, H. A. Alves following up his fine bowling (8 for 51) by scoring 27. Timothy took four wickets for 22. Scores:—

CANTON-SWATOW

\$32,000,000 RAILWAY PROPOSED

LINE TO MEET THE K.-C.R.

Mr. Ma Chiu-tsun, Commissioner of Reconstruction in the Canton Government, is considering the question of constructing a railway to connect Canton and Swatow.

The important position that Swatow holds in the eastern part of Kwangtung makes it highly desirable that easy and rapid means of communication with the provincial capital should be made available, says the "Gazette."

As things are at present, travelers to Swatow have to journey to Hong Kong whence passage is taken to Swatow. This procedure necessitates the inconvenience of stopping at Hong Kong overnight to effect the change over and Hong Kong thus gains financially by such traffic.

Cost \$32,000,000

The tentative plans call for the building of a railway to link the Chuechow-Swatow Railway with the Canton-Kowloon Railway (Chinese section) making the terminal point at Cheung-muk-tau. The proposed route will touch at Waiyeung, Hoi-fung, Lukfung, Waiyong, Chueyung, Kityeung and Chiu-on. Should this railway become a reality, not only will there be better facilities for communication with the eastern districts, but the Government will also gain in the form of increased revenues. The total length of the line is estimated to be about 630 li (about 210 miles), while the cost of construction will entail the expenditure of \$32,000,000.

[Note: Cheung-muk-tau is about 40 miles from the British frontier. At present a motor-bus service from Waichow to Cheung-muk-tau "feeds" the Kowloon-Canton Railway.]

PAPER MONEY

THE BANK OF ENGLAND'S NEW NOTES

London, Saturday. It is announced that a new Act vesting in the Bank of England the sole right to issue legal tender notes in the United Kingdom will come into operation on Nov. 22.

This is preliminary to the issue of one pound and ten shillings notes by the Bank to replace £285,000,000 Treasury notes now in circulation.

It is understood that the Banks £1 notes will be green and the 10/- notes red.—Reuter.

CLASH BETWEEN POLES AND UKRAINIANS

Warsaw, Saturday. 120 were injured, 8 fatally, in disturbances between Poles and Ukrainians at Lemberg, in connection with the Polish celebration of the 10th anniversary of the defence of the town against Ukrainian troops.

The situation has now been controlled. 60 Ukrainians were arrested.—Reuter.

CHINA'S CROPS

TERRIBLE CONDITIONS IN MANY PROVINCES

Shanghai, Saturday. A crop of reports has been coming in from almost every one of the eighteen provinces of China Proper indicating an increasingly bad forecast and pointing to the possibilities of terrible conditions in the coming winter.

The staple food of rice has suffered particularly, on account of the widespread drought. The Wholesale Rice Dealers' Association of Shanghai states that the crops of the following provinces are below the average good crop to the extent quoted:—

Province	Percentage below Average
Kiangsu	60
Anhui	50
Chekiang	40
Kiangsi	40
Honan	40
Hunan	30

The same Association estimates the total crop at approximately 81,000,000 piculs (or 5,400,000 short tons).

It is estimated that the normal rice crop of the six mentioned provinces is 15,000,000 short tons. Therefore a serious shortage of food is to be expected over an area of at least 400,000 square miles with a population of nearly 200,000,000 people, most of whom are normally living very closely to the starvation line.—Reuter.

Piccadilly Tube trains were held up for 20 minutes on a recent night, when an unknown man fell in front of a train at Brompton-road Station and was killed.

WHEN THE STOMACH REBELS.

A Danger Signal.

A distinguished medical authority has written, "When a man's stomach goes wrong he starts on the down grade." Indigestion, dyspepsia, and other forms of stomach disorder produce depression and melancholy.

One of the commonest causes of indigestion is weak, thin blood. If the blood loses its tone the action of the digestive organs is upset. Eating is generally followed by keen distress, flatulence and sourness; palpitation of the heart and shortness of breath are often present. By rebuilding the blood you restore the normal activity of the disturbed organs, and so banish the cause of indigestion.

To build up the blood there is nothing to equal Dr. Williams' pink pills. They tone up the entire system; make the blood rich and red; increase the appetite, strengthen the nerves, put colour in the cheeks, and drive away feelings of depression.

You are not experimenting when you take Dr. Williams' pink pills. They are a proved remedy, with thousands of cures to their credit. They can do nothing but good. All chemists sell Dr. Williams' pink pills; nothing else will do.

HENDREN'S 100TH

NOTABLE ACHIEVEMENT IN AUSTRALIA

M.C.C. v. VICTORIA

In the second match of the present cricket tour in Australia, the English visitors put themselves in a commanding position against Victoria, one of the strongest of the States in the Commonwealth.

This match has been distinguished by three features.

"Patsy Hendren," in his third tour down under, has had the satisfaction of scoring his hundredth century.

D. R. Jardine has signalled his inclusion by scoring a century, following his similar feat in the opening game at Perth.

Larwood, the fast bowler of whom England expects much in the attack, has "come off."

England's Lead

Cabling from Melbourne on Saturday, Reuter said:—

Scores at close of play to-day in the Victoria v. M.C.C. match were:—Victoria (1st innings) 164 runs. Larwood, H. (Notts) took 7 wickets for 61 runs. W. M. Woodfull opened the innings and carried out his bat, undefeated, for 67 runs.

M.C.C. (1st innings) 486 runs. D. R. Jardine (Surrey) made 104, after having reached three figures in the opening match at Perth.

Hendren, E. (Middlesex) made 100. Victoria (2nd innings) 135 runs for no wicket.

Play will be continued on Monday.

Hendren's century was his 100th three-figure score in first-class cricket. He thus joins the select circle—a distinguished quartette—who have reached the century a hundred times or more. These are Hobbs, J. B. (of Surrey, who is also in the M.C.C. team), Hayward, T. (formerly of Surrey), the late Dr. W. G. Grace (the "Grand Old Man") and Mead, C. P. (the Hampshire left-hander, who is also in the M.C.C. team).

"Patsy's" Record

Elias H. Hendren, or "Patsy" as he is called at Lord's, although only 39 years of age, had arranged to retire to become a coach in Australia but arrangements were made for him to play for England. He was a first rate cricketer before the war, has shown remarkably consistent form for Middlesex since the championship was resumed after the war, while he can probably still claim to be one of the finest, if not the finest, outfielders in England.

Hendren began to play cricket as a child and was only fifteen when he first played for the famous Turnham Green Club.

His first appearance for Middlesex was in 1909, and although he did not

keep up his early form he was almost worth his place in the county side purely on account of the runs he saved in the field. Hendren's first big score was 134* against Sussex in 1911, in which season he scored nearly a thousand runs with an average of 38.

3,000 Runs Twice

At that time C. B. Fry predicted that Hendren would one day become the Tyldesley of Middlesex, a prophecy which has long been fulfilled. Three times since the war, in 1920, 1922 and 1923, Hendren has been leading batsman of the year. Twice his aggregate has exceeded the 3,000 mark.

In every season since the war, with the exception of 1919, he has scored over 2,000 runs.

Before this tour opened, he had compiled 2,923 runs in Australia.

His aggregate for 9½ seasons since the war is 24,811 runs! At the beginning of the 1928 season Hendren had 86 centuries to his credit. He scored 13 at Home and the one at Melbourne gives him the 100.

Consistency

Consistent as Hendren has been in county cricket he has been rather a disappointment in the bigger games, and although he has played in seventeen Tests against Australia, the only time he has reached three figures against them was at Lord's in 1926, when he made 172.

He has, however, hit two centuries in Tests against the South Africans. Hendren was a member of J.W.H.T. Douglas's side which went to Australia in 1920-21, and although he had a good record for the tour, (1,606 runs with an average of 61.76) his best score in the five Tests was 67.

He did not quite come up to expectations in 1924-25 as a member of A.E.R. Gilligan's combination, for his aggregate for the tour of 1,317 runs (average 62) included only 314 in the five Tests.

Not a Classic

In the 1928 matches in England he scored 186 runs in six innings, but was thrice not out, so had an average of 62.

He played in two of the 1921 matches in England, but in four innings only scored 17 runs, so that his figures for the four Test series against the Australians are an aggregate of 836 with an average of 33.44 for 25 innings.

Hendren is not a classic batsman by any means, but he has abundant gifts, combining with his fine hitting great patience and self-control. He is particularly fond of the hook and the pull, and, possessing a wonderful eye, he is rarely at fault. As a fielder he is not surpassed among cricketers of the present day, and if during his third trip to Australia he does not produce his home form at the wickets he can be counted upon to save a lot of runs in the field.

YACHT CLUB

SECOND CHAMPIONSHIP OF THE SEASON

22 BOATS TAKE PART

Twenty-two boats took part on Saturday in the second championship race of the Royal Hong Kong Yacht Club season and only one failed to finish.

The course of 9.4 miles was to Lyemun Beacon (port), Kowloon Rocks (p), mark on Club line (p), Channel Rocks (starboard), finish at the Club.

The racing was very interesting. Colleen and La Linda were first and second to cross the line in the Handicap class and kept their respective positions on handicap.

Combined Class

Not so in the combined class for One Design and Gales. First place on corrected time was taken by Thecla, which was fifth in actual order of finish. Ailsa and Halcyon (both "scratch" yachts) were, however, able to save their time on the other five competitors and took points for second and third.

In the Hayward Heys class the seven boats to finish took positions in the order in which they completed the course, the handicaps making no difference.

In the tabulated results given below, yachts are set down in order of actually finishing the distance, but the positions gained (for points in the season's championship), based on handicap (i.e., corrected time) are put next to each name in parentheses.

FRENCH POLITICAL PARTIES

BIG CONGRESS
ROYALISTS AGAIN CAUSING TROUBLE
FORTY ARRESTED

Angers, Yesterday.
There was further Royalist trouble here to-day on the occasion of the unveiling of a memorial by M. Daladier, Chairman of the Radical Party.
The police arrested 40 Camelots du Roi, who caused great excitement by distributing Royalist tracts.
Radical-Socialists
Unusual importance is attached to the annual congress of the Radical Socialist party to-day, because the section is credited with the Poincare Government. The congress will decide whether the mandate to its Ministers in the Cabinet shall continue.
All the leaders were present, including M. Herriot and three other Cabinet Ministers. The president of the party, M. Daladier, in his opening address adopted the attitude of sitting on the fence, and recommended inter alia the enforcement of anti-clerical legislation and the elimination of articles 70 and 71 from the budget proposals. He criticised the Government's foreign policy and asserted that the party should withhold its support from the Government if it was not prepared to carry out the minimum programme he outlined. In this case the Radical Ministers should retire.
Poincare's Statement
M. Poincare has told the Finance Commission of the Chamber that he objected to its amendments to the budget. He declared that if the budget were not passed in its present state before the end of the year, he would leave to the others the task of achieving financial restoration.—Reuter.

GEN. PANGALOS

NOW CHARGED WITH MANSLAUGHTER
SHOTS AT JEERING CROWD

Athens, Yesterday.
General Pangalos, whose release was one of M. Venizelos' first acts on his reappearance in the political arena, is again in jail.
General Pangalos, who is charged with manslaughter, is accused of firing from the balcony of his political headquarters at the crowds which jeered at him on the eve of the last elections. Two of the wounded died.
Although the others arrested on the same charge were allowed bail, the council of the Court of First Instance ruled that General Pangalos be kept in prison, but it is considered that bail will eventually be allowed.—Reuter.

MEXICAN TRIAL

FOR THE MURDER OF THE PRESIDENT-ELECT

San Angel, Mexico, Saturday.
The trial of Jose de Leon Toral for murdering the President Elect of Mexico, General Obregon, was opened close to the scene of the crime, the Mother Superior Maria Concepcion being jointly tried on a charge of being Toral's accomplice.
The public interest has been so great that arrangements have been made to wire and broadcast the proceedings.
Torol, examined by counsel, said the killing of Obregon was a "Mission of God." He declared that he did not know exactly what the result would bring but he was confident it would help the cause of the controversy in Mexico between the State and the Roman Catholic Church.
Allegations Against Police
Torol told the jury that, after his arrest, the police tortured him in an effort to drag from him a confession that others were implicated. The tortures included suspension by his thumbs and stretching his body on an improvised rack, which he was able to endure "by the grace of God." As he was hanging one thumb slipped and he was left hanging by the other. Later he was hung up with a rope round his chest so that he could scarcely breathe. The police deny these allegations.—Reuter's American Service.

THE ARCHBISHOP'S FAREWELL

BIG CONGREGATION
"LISTENERS-IN" THROUGHOUT THE COUNTRY
CHURCH CONTROVERSIES

London, Yesterday.
The Archbishop of Canterbury delivered his farewell sermon in Canterbury Cathedral in the presence of an immense congregation and within the hearing of an enormous body of "listeners-in" throughout the country, who were able to catch every word and intonation of the Primate's address.
His Grace referred to the controversies within the Church, but warned the people against regarding them as an outstanding fact. He expressed, as his farewell conviction, that the Church, whatever her difficulties, was far stronger, more zealous and more united than when his working years began.
Concluding, his Grace asked if the people were satisfied about the forcefulness of the Church on plain moral questions affecting every day domestic, commercial and public life and did the Church face them frankly and courageously? "My answer to this gives me qualms."—Reuter.

ITALY'S FARMERS

PROCESSIONS OF PEASANTS TO ROME
MUSSOLINI'S ADDRESS

Rome, Yesterday.
Among the demonstrations in connection with the tenth anniversary of the Italo-Austrian armistice now being celebrated has been a march to the capital of two great processions of peasants, one of 40,000 and the other of 25,000 from every part of Italy with bands.
Signor Mussolini, in a stirring address, confirmed his intention of concentrating upon the development of agricultural interests instead of the urban policy hitherto followed. He has arranged to gather the agriculturists again at Rome on November 8, 1934.—Reuter.

JAPANESE FISHING

AN AGREEMENT WITH SOVIET

Moscow, Yesterday.
Agreements have been signed granting to Japanese fishing concerns the right to work the existing preserving works in Kamchatka.—Reuter.

ROUMANIA

BUCHAREST "SEETHING" WITH EXCITEMENT

Berlin, Saturday.
A report from Bucharest states that the Bratianu Government has resigned owing to the Regency Council's insisting on a Coalition Government representing all Parties and the refusal of the National Peasants' Party to accept M. Bratianu's leadership. Bucharest is seething with excitement.—Reuter.

BIG AND LITTLE

TWO CHINESE WOMEN COME TO BLOWS

Two Chinese women, one a dwarf, were this morning charged, before Mr. R. E. Lindsell, with disorderly conduct by fighting at Salwanho market yesterday.
They both claimed that the other struck first, whilst the bigger woman said that the trouble was over rent owed to her by the other, who tried to remove her things without paying. When she attempted to hold the things, the other woman struck her. She did not hit back, and claimed that the Indian constable, who made the arrest, could corroborate her statement.
The constable said that the bigger woman was knocked down by the other and, when she got up, struck the dwarfess on the jaw with her elbow.
The Magistrate imposed a fine of \$1 each, and ordered both women to sign personal bonds in the sum of \$50 each to keep the peace for six months.

RECORD BREAKING AT CALSHOT

GREIG'S SPEED
BEAT BERNARDI'S RECORD BUT MUST TRY AGAIN
WONDERFUL DIVING FEAT

London, Yesterday.
Flight Lieutenant Darcy Greig in a supermarine Napier seaplane, made an official attempt to create a speed record at Calshot, Southampton.
He covered the course at 319.5 miles per hour, and thus beat Major Bernardi's (Italy) 318 1/2 m.p.h. International regulations require that a new record should beat an existing one by five miles.
Greig yesterday reached 345 m.p.h. in diving.—Reuter.
22 Minutes in the Air
A British Wireless message says: Flight-Lieutenant Darcy Greig, who hopes to make an attack on the air speed record at Calshot, made a final trial flight in his Supermarine N. 220 this morning. He remained in the air for over twenty-two minutes, and during dives he reached a speed of 345 miles per hour. If the times as recorded over the course are found on examination to be satisfactory, he will apply to the Air Ministry for permission to make an attempt on the record at the first opportunity.
Further Details
A later wireless message says: Following upon the final trial flight in the Supermarine Napier SS number 220 yesterday, the Air Ministry formally gave permission to Flight-Lieutenant Darcy Greig to make an attempt on the world's seaplane record at the first favourable opportunity. The record is now held officially by Major de Bernardi, of Italy, at 318 1/2 m.p.h. Yesterday Greig's speed on a dive, before straightening out to begin the course, was slightly under 350 m.p.h. It cannot, however, be assumed that this figure would be reached in flight under official surveillance. In an actual record flight a pilot must not exceed a height of 1,300 feet whereas yesterday Greig was probably in the region of 2,000 feet when he began to dive. On the other hand he did not let his engine go full out.
The speed is recorded by a camera and gun timing apparatus. Greig handled the craft superbly. His task is extremely delicate and dangerous. After yesterday's flight, his jacket was black with smoke and the wind screen was almost covered at one time by fumes.

THREE BANISHEES

ONE A WOMAN: RECOGNISED ON WHARF

UNDESIRABLE CHARACTER
A Chinese woman was amongst three returned banishees who were smartly sentenced by Major C. Willson, O.B.E., at the Central Magistracy this morning.
Her name was Pun Shou-lan and she was arrested on the wharf yesterday as she was disembarking from a river boat when she was recognised by one of the detectives on duty.
The woman was banished earlier this year for 10 years as an undesirable character, having been convicted as the keeper of "aly" brothels and opium dens.
Sentence of nine months' hard labour was passed.
Arrested yesterday for stealing a pair of pliers from a second-hand goods stall in Chinatown, Lo Wing was charged with that offence as well as being a returned banishee whose term of banishment had not yet expired.
He admitted both offences.
Two Old Hands
Police records showed that he was sent away for ten years in 1923 after serving six months in jail and receiving 12 strokes for larceny from a woman.
For theft of the pliers Major Willson sentenced Lo to one month's hard labour, and for returning from banishment, nine months and 20 strokes. The prison terms are to run consecutively.
Sent away for ten years in 1926, Chan Fat who had had three convictions against him for larceny, was again found by the police in the Colony during the week-end.
His appearance before Major Willson this morning resulted in his being sentenced to six months' hard labour and 20 strokes.
